PROFILE

Intermediate IT enthusiast who is reliable, hardworking with the goal of helping with security and problem solving. I work well on my own as well as in groups making me extremely adaptable to new environments. I am driven through my own motivation to succeed.

Graphics Designer / Beginner Developer. I was volunteering in an online game server community (Dec 2023 – June 2024) where I am dedicated to improving and assisting said game server. My role within this includes aiding the design of game features, testing fundamentals, and writing basic LUA code. This experience has helped me hone my skills in the areas of game testing and graphic design, allowing me to provide a consistently adept service.

EXPERIENCE

STUDENT AMBASSADOR • MACMILLAN ACADEMY • SEPT 2022-JUNE 2024

As a student ambassador I have various roles across the school. These include helping support transition for year 6 students coming into year 7; supporting lessons for lower year groups and supporting wider events such as Post 16 open evening.

Barista – COSTA COFFEE – NOV 2024 – JAN 2025

At Costa Coffee I developed strong customer service communication and organizational skills in a fast-paced environment. I further gained efficiency in multitasking, handling queries and maintaining high service standards while ensuring smooth operations during busy periods.
